**Appellant's Unopposed 1<sup>st</sup> Motion for Extension of Time to File Brief**

---

Appellant Peter Beasley, pursuant to Rules 10.5, files Appellant's Unopposed Motion for an Extension of Time to File Brief, and states the following:

1. August 19, 2019, this court ordered Beasley to file his brief on September 3, 2019, providing 15 days' notice.
2. An extension of 3 days is requested.
3. This is Beasley's first request for an extension, and the extension is not requested solely to delay the proceedings.

**Facts to Reasonably Explain the Need for an Extension**

4. The underlying lawsuit traversed through five district courts, and hearings were held that were transcribed by three official court reporters. To support this appeal, the three court reporters provided supplemental Reporter's Records, which had to be refiled.

5. In particular, one record from the 162<sup>nd</sup> District Court was provided on August 30, 2019, without the exhibits. September 1, 2019, a Sunday before the Monday holiday, it was discovered that one record from the 191<sup>st</sup> District Court had been also filed without its exhibits.

6. Appellant spent time coordinating with the two reporters, the Clerk of this court, and with opposing counsel to get the records filed correctly September 3, the first day after the holiday weekend.

7. The corrected reporter's records were ultimately filed by midday on September 3, 2019, but the corrections delayed the completion of Beasley's brief. Furthermore, a copy of the newly filed Records could not be obtained in a timely fashion to ensure the page citations of the corrected Reporter's Record with the brief would be correct.

8. Furthermore, the District Clerk filed a supplement to the Clerk's Record on Friday, August 30, which needs to be properly cited to the brief.

9. Appellant requests a 3-day extension to obtain a copy of the records filed on September 3, and to provide accurate citations to the brief.

Wherefore, Appellant requests an extension of time to file his brief.

Respectfully submitted,
